GOAT PENS

SANDUSKY COUNTY
JR FAIR GOAT
COMMITTEE

PROJECT DESCRIPTION

The Committee's request for Goat Pens, aims to raise funds to provide goat pens for junior fair participants. These pens will be customizable and designed to meet the specific needs of goat exhibitors. Our goal is to ensure that every participant has access to the tools and resources they need to successfully showcase their goats at the fair.

PROJECT OBJECTIVES

- We anticipate that we will need to raise enough for an estimate near \$90,000 for goat pens for junior fair goat participants. We will rely on donations and fundraising events to reach this goal.
- We will focus on reaching out to local businesses, community organizations, and individuals who are passionate about supporting agricultural education and youth development. We will also utilize social media and traditional advertising methods to raise awareness of our cause and attract donations.
- As a non-profit organization that focuses on raising funds to provide for junior fair participants, our team will consist of volunteers who are dedicated to our mission of providing goat pens for junior fair participants.
