Cover Art by Regan Draeger—"I have been showing livestock and open class art at the fair since I was 5, so I knew exactly what I wanted to highlight in this design. From animals to rides, some of my best memories have been made at this fair, and I am beyond appreciative of those who volunteer tirelessly each year to make it happen. I also included the historical barn because the design on the roof is unique to our county and a part of our fairgrounds. I am entering my last year at the Ohio State University and will earn my degree in horticulture in the spring, much of the inspiration for which came from this fair."

Each year during the Sandusky County Fair, the LOG CABIN COMPOUND (established in 1982) comes alive with activity.

Take time to visit this area of the fairgrounds and see how pioneer lives differ from the lives of people today. We will be demonstrating throughout the week many of the chores that had to be done, such as: carding and spinning, quilting, crocheting, candle making, wood carving, wood working, chair caning, flower and herb arranging, basket making, and blacksmithing.

5. All foliage must be attached. It should be clean with no evidence of spray residue, mildew or insect damage. No foreign substance permitted on foliage.
6. All "one bloom" exhibits must be disbudded. (Disbudding is removing bud side shoots as the specimen develops)

8. Fair Board provides vases, or you may use clear glass bottles. **No colored bottles.** No pop bottles.

ARTISTIC DESIGN RULES

1. Exhibitors may enter as many classes as they desire but only one entry per lot.
2. All fresh plant material may be from any source and must be arranged by the exhibitor. Backgrounds and accessories permitted.
3. No artificial or silk plant material permitted, except Class 9 Silk Flowers. Painted or artificially colored fresh plant material is never permitted.
4. Class 9 lots 1-4 will be silk floral arrangements.
5. Bleached, treated (glycerin etc.) and dried material may be used unless otherwise stated.
6. Painted, dried, and artificial line material may be used in Creative designs.
7. List plant material, used in the design, on exhibitor tag or on a separate card placed by the design.
8. All "Choice" designs must be labeled with the floral design classification the exhibitor is using.

FLORAL DESIGN CLASSIFICATIONS

All floral designs can be classified as either Traditional (naturalistic, geometric, including Oriental, European and early 20th century designs) or creative designs (contemporary and abstract)

CREATIVE DESIGN incorporates space within and usually shows restraint in the amount of plant material and the number of components used.

TRADITIONAL DESIGN may be classified as line, line mass, or mass. Line designs exhibit lines as the most important feature and plant material is sparse. Line-mass designs incorporate both line using branches, stems or a series of blooms or leaves in a skeletal pattern; massing is along the main line, heavier toward the center and tapering along the outside edges. Mass design emphasizes a large mass of flowers with fullness and a minimum of voids.

An **INTERPRETIVE DESIGN** is the designers own feeling idea, or translation of the class title to be depicted from the flower show schedule. The design could be traditional, creative, or abstract. If not stated, it is the designer's choice.

| GIRL SCOUTS | | BOY SCOUTS |

To encourage the young people of our community to develop qualities of leadership, there has been established by the directors of the Sandusky County Agricultural Society, a Junior Fair Board. These boards are generally referred to as Senior Board and Junior Board, respectively. The Junior Board is composed of representatives of various youth groups who will operate under the direction and jurisdiction of the Senior Board. The Junior Fair is made up of boys and girls of 4-H Clubs, FFA, Camp Fire, Boy Scouts, and Girl Scouts.

In order for a youth group to become affiliated with the Junior Board and participate in the program, application shall be made to the Junior Fair Board office. Once membership is approved, it will be deemed as continuing until acted upon otherwise. Any such group shall be entitled to representation on the Junior Board.

It is contemplated that the Junior Board shall meet, organize, draft its by-laws and rules for participation in the fair. These, or any changes, shall be submitted to the director of the Senior Board in charge of Junior Fair to be presented by him for consideration and approval of the Senior Board. 2023 Junior Fair Livestock Exhibitor Requirements

Please read these requirements carefully!

If exhibitors fail to complete any of the requirements listed below, they will not be able to exhibit at the Sandusky County Fair.

- ✓ All Livestock Exhibitors must attend a county-wide **Livestock Quality Assurance** program in accordance with The Ohio Department of Agriculture.
- ✓ Also, a **Drug Use Notification Form (DUNF)** must be completed online for market livestock entering the fairgrounds. This will be monitored through the Junior Fair Office.
- ✓ A **completed Project Record** Book must be turned in prior to or at weigh-in of animal(s). Record books will need to be completed with up-to-date records at time of weigh-in (i.e. Animal Identification, Inventory, Feed Records, Treatments, etc.). Record books will be available later in the week of the fair for pickup.
- ✓ **Junior Fair Entries** are due July 15th! Quality Assurance must be completed at least 45 days prior to the start of the fair.

Livestock Quality Assurance Program

The Ohio Department of Agriculture, under the Ohio Administrative code, has mandated all Junior Fair exhibitors meet Quality Assurance requirements for the 2023 fair. A Drug Use Notification Form must be completed for market livestock entering the Fairgrounds. All 4-H and FFA members exhibiting a livestock project must complete Livestock Quality Assurance (QA) Training every year unless they have tested out of their age bracket for QA.

You have several options for completing the QA training:

1. **Attend one of the Quality Assurance Meetings in our county (no fee).**
2. Attend a qualified QA training in another Ohio County - \$10 fee applies -. Dates will be posted online (<http://sandusky.osu.edu>) and at the Extension Office
3. Testing Out

Members age 12 and older may test out by taking a test and scoring at least 70%. There are two age brackets for the test (12-14 and 15 & older). When members test out as a 12-14 year old, they need to begin QA (or take another test) at age 15. Tests are offered at QA meetings.

There will be no additional meetings or individual make-ups. QA must be completed at least 45 days prior to the start of the fair. Please note: Most counties complete QA training by early June. Plan ahead if you need to attend another county's training.

GENERAL JUNIOR FAIR LIVESTOCK RULES AND REGULATIONS

1. Exhibitors in the Junior Fair shall be members of a 4-H Club, FFA, Boy Scouts, Girl Scouts, or Campfire within Sandusky County.
2. **NO HEALTH PAPERS ARE REQUIRED FOR JUNIOR FAIR LIVESTOCK.**
3. **FFA Livestock Enrollment forms are due to the Jr. Fair Office by April 1st.**
4. ALL Livestock and Horse entries for the Junior Fair must be submitted no later than JULY 15th. In the event JULY 15th falls on a weekend, entries can be submitted on the next business day. **Entry forms MUST be signed by the exhibitor and their instructor or advisor.**
5. All livestock exhibits, except market classes and poultry, shall be eligible for registry or purebred. All Junior Fair livestock exhibits showing in open class, except market classes must be registered and members must present registration papers in order to show in open class. Animals must be registered in the exhibitor's name, or the exhibitor as a partner.
6. The Sandusky County Junior Fair shall have the right to require any animal to be subject to examinations or tests as prescribed by the Fair Board to determine if a substance has been administered to the animal to change or enhance the animal in any way including changing the conformation or temperament of the animal.
 - a. Tampering and/or misrepresentation as to breeding, age ownership and any other irregularity determined from use of examinations and tests as prescribed from rule 6 shall be considered "fraud and deception." When satisfactory evidence has been obtained by the Sandusky County Agricultural Society Board of Directors that fraud and deception has occurred, the exhibitor will be banned from the Sandusky County Fair. Length of ban will be determined by the Sandusky County Agricultural Society in accordance with seriousness of the offense.
 - b. The Sandusky County Junior Fair reserves the right to withhold any and all premium payments and non-cash awards on any animal in question until the problem is resolved through examination and testing. If fraud and deception is found, these premium payments and non-cash awards will be permanently forfeited. In case of market animals, they shall not be permitted to sell or will be required to return all sale money above market price if already sold.
 - c. If a violation is discovered before the show, such animal(s) will not be permitted to show. If such violation is discovered after the show, but before the sale in the case of market animals, the animal placing next in line at the show shall move up. Should violation be discovered after the sale, in the case of market animals, the exhibitor will forfeit the placing and no change in placing will be granted.
 - d. Any exhibitor which is banned from any State Fair or County Fair shall not be allowed to exhibit at the Sandusky County Fair until the time of ban, as prescribed by the Agricultural Society of the county or state of the violation, has passed. This rule becomes effective January 1, 1993. Any ban occurring after this stated date will be dealt with in accordance to Rule 6 in its entirety.
 - e. Any Circumstance not covered in these rules will revert to the rules in the Ohio State Fair Premium Book.
7. One exhibitor may show two animals in a classification. Exceptions are poultry and sheep.
8. An exhibitor in the Junior Fair may sell through the Junior Fair Livestock Sale a maximum of four times. During the fair, each steer/heifer, beef feeder, dairy beef feeder, hog, lamb, rabbit fryer, rabbit meat pen, broiler pen, turkey, or market goat will count as one sale. It is the exhibitor's choice of which animals will be sold, but the Junior Fair Office must be informed by the time listed in each division.
9. No entry fee shall be required for exhibits in the Junior Fair.
10. Separate blanks must be used for each person making an entry.

11. All exhibits must be located in the space designated by Junior Fair. Non-compliance will cancel payment of any premiums, awards, trophies, and ribbons, and will also make the exhibitor ineligible to show in the Junior Fair the following year.
12. All FFA exhibits must be from projects regularly elected or supervised practice, conducted by all day or part-time students under 21 years of age as of January 1 of the current year. The project of supervised practices must be on file in the office of the state supervisor of vocational agriculture or premiums will not be paid. All 4-H exhibits must be from projects regularly elected by 4-H club members of Sandusky County. The project enrollment must be on file in the office of the Sandusky County Extension Service by the membership deadline established by the County 4-H Committee or premiums will not be paid and members will be ineligible for competition.
