2023 Junior Fair Livestock Exhibitor Requirements

Please read these requirements carefully!

If exhibitors fail to complete any of the requirements listed below, they will not be able to exhibit at the Sandusky County Fair.

- ✓ All Livestock Exhibitors must attend a county-wide **Livestock Quality Assurance** program in accordance with The Ohio Department of Agriculture.
- ✓ Also, a **Drug Use Notification Form (DUNF)** must be completed online for market livestock entering the fairgrounds. This will be monitored through the Junior Fair Office.
- ✓ A **completed Project Record** Book must be turned in prior to or at weigh-in of animal(s). Record books will need to be completed with up-to-date records at time of weigh-in (i.e. Animal Identification, Inventory, Feed Records, Treatments, etc.). Record books will be available later in the week of the fair for pickup.
- ✓ **Junior Fair Entries** are due July 15th! Quality Assurance must be completed at least 45 days prior to the start of the fair.

Livestock Quality Assurance Program

The Ohio Department of Agriculture, under the Ohio Administrative code, has mandated all Junior Fair exhibitors meet Quality Assurance requirements for the 2023 fair. A Drug Use Notification Form must be completed for market livestock entering the Fairgrounds. All 4-H and FFA members exhibiting a livestock project must complete Livestock Quality Assurance (QA) Training every year unless they have tested out of their age bracket for QA.

You have several options for completing the QA training:

1. **Attend one of the Quality Assurance Meetings in our county (no fee).**
2. Attend a qualified QA training in another Ohio County - \$10 fee applies - Dates will be posted online (<http://sandusky.osu.edu>) and at the Extension Office
3. **Testing Out**

Members age 12 and older may test out by taking a test and scoring at least 70%. There are two age brackets for the test (12-14 and 15 & older). When members test out as a 12-14 year old, they need to begin QA (or take another test) at age 15. Tests are offered at QA meetings.

There will be no additional meetings or individual make-ups. QA must be completed at least 45 days prior to the start of the fair. Please note: Most counties complete QA training by early June. Plan ahead if you need to attend another county's training.
